

8 Easy Ways You Can...

1) Think of Local Products First

There are many businesses, individuals and agricultural producers who offer excellent and unique products made right here in the RM of Lorne. Seek them out whenever you can.

2) Think of Local Shopping First

Buy your groceries and other goods in local stores. Local stores offer good selection for competitive prices. It also saves you the time and gas expense of driving.

3) Think of Local Dining First

There are many fine restaurants in the RM of Lorne that offer great food at great prices.

4) Think of Local Vehicle Service First

There are many garages and gas stations in the RM of Lorne. Fill up and fix up there first.

5) Think of Local Banking First

Use a local lender like a Credit Union for your mortgage and loan needs. More of the interest and fees you pay will stay in the community to help you, your neighbours and your local businesses.

6) Think of Local Do-It-Yourself First

We have several businesses who cater to the DIY enthusiast. The next time you're thinking of putting in a new kitchen or redecorating the kids' bedrooms, check out local sources first.

7) Think of Local Recreation First

Local sports, clubs and the Lorne Recreation offer dozens of opportunities for recreation on the local level.

8) Think of Local Customers First

If you have a business, offer a service or produce a product, make sure to get the word out to the local area.
